

**CITY OF MONTCLAIR
NOTICE OF PUBLIC HEARINGS**

NOTICE IS HEREBY GIVEN that on Monday, October 5, 2020, at 7:00 p.m. via ZOOM video/teleconference (meeting link: <https://zoom.us/j/93717150550>), the City Council of the City of Montclair will conduct public hearings concerning the following:

1. **“Resolution No. 20-3285”** approving Tentative Tract Map No. 20273 to subdivide a 6.68-acre site into six numbered parcels and one lettered lot for a public park; and Precise Plan of Design No. 2017-20 for a mixed-use project within the station district of the North Montclair Downtown Specific Plan.

The purpose of the proposed resolution is to allow for the construction of a five-building mixed-use (residential and commercial) development, a parking structure, a 0.22-acre public park, and associated roadway and site improvements generally located on the north side of the intersection of Arrow Highway and Fremont Street (APN 1007-701-01) as indicated on the below map. The site is designated “Planned Development” by the Montclair General Plan and “Station District” (SD) per the *North Montclair Downtown Specific Plan* (NMDSP). The applicant is Village Partners Ventures LLC on behalf of the current property owner, Miriam A. Kendal.

On August 24, 2020, the Montclair Planning Commission recommended that the City Council approve the project by a 5-0 vote.

Environmental Assessment: Pursuant to the California Environmental Quality Act (CEQA) Guidelines, the City certified an Environmental Impact Report (EIR) on March 20, 2017, in connection with the City’s approval of the Amended North Montclair Downtown Specific Plan (Amended NMDSP), which included the subject site and anticipated improvements. According to Government Code Section 65457 and State CEQA Guidelines Section 15182, where a public agency has prepared an EIR on a Specific Plan after January 1, 1980, no EIR or negative declaration need be prepared for a project undertaken pursuant to and in conformity to that specific plan. The proposed mixed-use project is in conformity to the Amended NMDSP, for which an EIR was certified in 2017. All potentially significant environmental impacts of the proposed project that could be mitigated to less than significant levels would be mitigated to less than significant levels with mitigation measures contained in the Mitigation Monitoring and Reporting Program for the NMDSP EIR. There are no changes to the significant and unavoidable impacts disclosed in the EIR. In sum, the project would not have one or more significant effects not discussed in the

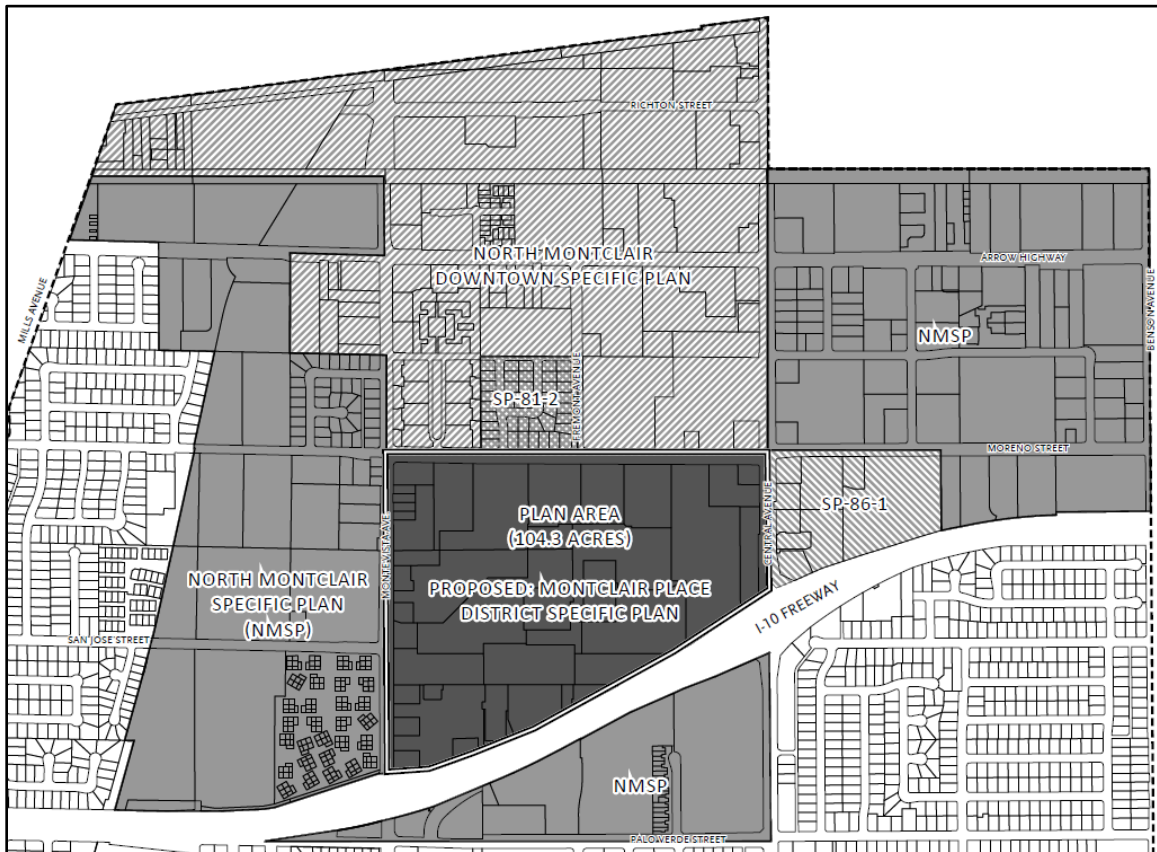

previously certified EIR, not have more severe effects than previously analyzed, and that additional or different mitigation measures are not required to reduce the impacts of the project to a level of less than significant. As such, none of the conditions listed in Section 15162 of the CEQA Guidelines requiring the preparation of a subsequent or supplemental EIR are present and the second criterion of State CEQA Guidelines, Section 15182 can be satisfied. Therefore, the proposed project qualifies for the exemption for mixed-use residential projects described in Section 15182 of the state CEQA.

Plans for the project are available on the City's website at:

2. **“Montclair Place District Specific Plan”** establishing the new vision for the mall and the immediate area that surrounds it. The Montclair Place District Specific Plan (MPDSP) proposes new land use designations, regulations, development standards, and design guidelines for future development.

Project Location: Approximately 104.35-acre site (Plan Area) bounded by and including the rights-of-way of Monte Vista Avenue on the west, the I-10 Freeway on the south, and Central Avenue on the east, and the existing center line of Moreno Street on the north (31 parcels), as indicated on the below map:

Assessor Parcel Nos.: 1008-171-01; 1008-171-02; 1008-171-03; 1008-171-04; 1008-171-05; 1008-171-06; 1008-171-07; 1008-171-11; 1008-171-13; 1008-181-04; 1008-181-05; 1008-181-06; 1008-181-07; 1008-191-01; 1008-191-02; 1008-191-03; 1008-191-04; 1008-321-04; 1008-321-07; 1008-341-08; 1008-351-07; 1008-321-10; 1008-331-06; 1008-331-07; 1008-331-08; 1008-331-09; 1008-331-15; 1008-331-16; 1008-341-04; 1008-341-08; 1008-351-07

Final approval of the proposed project requires adoption of the following Ordinances:

- **Ordinance No. 20-991**, an amendment to the Official Zoning Map changing the land use designation of the 104.35-acre site from “C-3” (General Commercial) to “Specific Plan.”
